

REDEFINING LUXURY BEACHFRONT LIVING IN TURKS & CAICOS

PRIVATE CHEF AND BUTLER SERVICE

DINE IN THE COMFORT AND PRIVACY OF YOUR OWN VILLA

Allow our team of personal chefs to design a bespoke menu for you, either for a special occasion or throughout your stay.

Every element of the meal is prepared in the villa's own kitchen. As every kitchen is outfitted with cozy barstools, guests are encouraged to not only watch the meal come together but also to engage with the chefs as they cook.

Each dish is thoughtfully planned and elegantly prepared. Chefs serve their creations with just as much care, assuring that every guest can immerse themselves in the evening's great food and even better conversation.

Guests may enjoy their meal served by their Butler in the privacy of their villa dining room or opt to dine alfresco by the pool or on the beach.
