Beach Enclave Brings Fine European Service Standards to the Turks and Caicos Islands

Luxury villa-resort brand elevates the guest experience with certification by the British Butler Institute and furthers its commitment to health and safety with a fully vaccinated resort team

PROVIDENCIALES, TURKS & CAICOS (November 11, 2021) — Long rated the top hotel in Providenciales on TripAdvisor, [Beach Enclave Turks & Caicos](#) has raised the bar yet again. The luxury villa-resort operator's award-winning team of highly experienced butlers recently completed extensive training and certification by the British Butler Institute, bringing a new level of unparalleled personal service to the Turks and Caicos Islands. Additionally, the entire resort staff is proudly 100 percent fully vaccinated against COVID-19, a testament to the team's shared commitment to health and wellbeing.

"Health and safety will always be our top priority, and I am incredibly proud of our team's wholehearted commitment to being 100 percent fully vaccinated," said Beach Enclave Chief Operating Officer Grant Noble. "Our service standards are a close second to health and safety. Refusing to rest on our laurels, we continuously seek new and innovative opportunities to further elevate our guest experience. With our recent training and certification by the British Butler Institute, I am eager to see our team take Beach Enclave's attentive, personalized service to new heights this upcoming season."
