Beach Enclave Long Bay – a lavish collection of three new private villa accommodations overlooking the opulent white sands and crystal turquoise seas of the Turks and Caicos Islands – has opened its doors to guests.

Offering a tropical winter escape in the heart of the Caribbean, the villas are owned and operated by Beach Enclave, one of the Turks and Caicos' leading luxury villa ownership and rental companies.

Beach Enclave epitomises a new concept combining luxury home ownership and private villa rentals with a resort style experience on the stunning island of Providenciales.

Perched on a three-mile stretch of white sand on one of the most exclusive beaches anywhere on the islands, which ranks among the top ten beaches in the world, the new Long Bay Villas are an intimate series of five custom-designed luxury properties located at the protected East end of the bay.

These immaculately designed villas offer guests luxurious 'toes in the sand' living, just a short 75-minute flight from Miami and two hours from New York.

Beach Enclave Long Bay offers two custom contemporary villa designs, boasting over 7,500 square foot of indoor and outdoor space, with 5, 6 and 7-bedroom homes. The two larger villas come with 5 bedrooms in the main house, each with a separate Garden Cottage consisting of a one and two-bedroom suite respectively.

All three villas come complete with an outdoor kitchen, Infinity pool, fire pit and beach deck with outdoor shower. The smaller villa includes a Media Room. With an organic yet refined design by local SWA Architects and New York-based Domino Creative Interior Designers, an elegant setting is present to take in the magnificent views and surroundings.

Ideal for families, couples, groups of friends and corporate retreats alike, Beach Enclave Long Bay offers something for everyone. Guests can choose to be as laid back or active as they wish, especially as Long Bay is renowned for its excellent kiteboarding, with its turquoise blue seas, two-mile shallow waters and perfect wind conditions for beginners and intermediates alike.

Nightly rates at Beach Enclave Long Bay villas in Providenciales start from \$4,400 based on 10 people sharing (minimum 3-night stay).
